

He really
believed it.

A group of
my friends once
convinced another
friend that a week
in London really
was eight days.

(That was when we were all
young...before the internet.)

believed
man
with the heart

Romans 10:10

Verse from the King James

Why not
ask God
to touch
your HEART
and help
you
believe.

It is the
only way.

The kind of
believing God
is offering is
not like that
at all.
It is NOT
something
anyone can
do without
God's help.
