

**How long does it take  
to hide a Bible verse  
in your heart?**

An open book is the central focus, with a Bible verse printed on its pages. The background is a complex, abstract pattern of thick black lines that form various shapes, including circles, squares, and irregular polygons, creating a maze-like effect. The book is rendered in a simple, bold style with a grey cover and white pages.

**In my heart I  
store up your  
words, so I  
might not sin**

Psalm 119:11
